Introduction

Hearing exams, the book all the words with phonetic supporting MP3 disc in accordance with the characteristics of the IELTS listening test, employing British teacher IELTS standard pronunciation read the full text. And in the light of the IELTS Zhenti, and strive to maintain a consistent voice, intonation and speech rate and Zhenti. Look forward to helping the customary visual input memory word candidates, increased auditory stimulation, a breakthrough in the vocabulary learning.

Hearing exams last step is transcription the answer. Unfortunately, many candidates spelling ability has been greatly degraded because of over-reliance on computers, mobile phones and other input. Usually the one hand, spelling practice too little, will not use the other hand, knowledge due to the lack of voice do not know the mapping between spelling and pronunciation, the rules of reading, spelling or memory word. If some candidates misspelled the garden gardon separate misspellings, etc. as seperate. Examination because the spelling errors, loss of points is a great pity. Require candidates to be able to accurately spell all the cognitive vocabulary and some reluctance, in fact, rare to uncommon vocabulary in the IELTS listening exam fill in the blank. Therefore, as long as the master of candidates to about 1000 spelling of high frequency words, and lies at the heart, you can easily meet the IELTS listening exam. The book sets out the the IELTS Zhenti fill in the blank vocabulary, and daily conversation, lectures in the high-frequency vocabulary, and listen to help understand. Look forward to helping candidates in the exam with the shortest possible time to master the words, breakthrough spell obstacles.
